Continuation of 4(e) Other: With regard to part "C." above, claim 38, which is withdrawn, is improperly identified as "currently amended". In addition, the dependency of claims 10, 11, 12, 18, 19, 20, 23-27, 29, 30, 32-41, 44 and 45 has been modified but there are no markings to indicate that the changes have been made. Furthermore, many of the claims in which the claim dependency has been changed are identified as "previously presented" (e.g., claim 10) or "original" (e.g., claim 11) rather than currently amended. Applicant is reminded that all changes relative to the previously examined claims must be clearly indicated on the amended claim set, and all amended claims must be identified as such.
